The court is requested to transmit bankruptcy notices electronically through the Bankruptcy Noticing Center (BNC) pursuant to Federal Rule of Bankruptcy Procedure 9036.

This Agreement is provided by the U.S. Bankruptcy Court and may not be altered or changed in any manner. If you, or your company, wish to receive bankruptcy notices from this court electronically instead of through the US mail, please complete this Agreement indicating one of the electronic methods offered and mail or fax it to the court's noticing contractor at:

**How the Program Works:**

**Redundant Mode.** Entities that complete and return this form to the BNC will have EBN service initiated in approximately two weeks. If you choose the Internet e-mail with a copy of the notice attached in Adobe Portable Document Format (PDF) format method, your e-mail system must return a Delivery Status Notification (DSN) receipt upon notice delivery. For a list of known DSN e-mail providers and a link to download the required free PDF viewer software from Adobe Systems, visit the EBN web page at: <http://www.frbnc.com>. The BNC will initially conduct a test to confirm that your e-mail account will return the required DSN receipt or that the fax number is working. During the first 30 days of EBN service, the BNC will send the notice electronically as well as mail the paper copy to allow you to confirm the process is working properly. Whether the fax or e-mail, upon expiration of the 30 day redundant mode (redundant mode begins from the date the BNC sets up your service, not the date of your first EBN notice) all future notices processed by the BNC for this court will only be sent electronically without further notice.

**Name Matching.** The BNC software will attempt to match the name and address provided on this form to the address included in the court's notice instructions. In most cases, the addresses in the court's computer files are provided by the debtor. The BNC software will attempt to match the name (without punctuation) and address and send the notice electronically. If the recipient name and address in the court's notice instructions do not match the name and address on this form, the BNC will mail the notice. If applicable, submit additional names and addresses that debtors designate for you or your company to the BNC. **You must notify the BNC should your e-mail, fax, or names and addresses used for electronic noticing change.**

**In Case of Error.** The BNC maintains a record confirming delivery of the electronic notice. If the BNC is unable to confirm receipt of the delivery for any reason, the notice will be printed and mailed the following day. The BNC will not retransmit notices. Should electronic noticing delivery to you be unsuccessful three consecutive times, the service will be terminated without further notice and only mailed copies will be sent. Please contact the BNC to resolve the issue and have electronic noticing service reinstated. Either party may terminate this Agreement without cause by giving the other party written consent.

**NOTE: The BNC does not process all the notice you may receive in a case. Notices generated by trustees, attorneys, debtors, and some court-generated notices or orders will continue to be mailed to the address of record at the court.**
